PROJECTS

DriveWise – Know Your Vehicle Before It Fails
Figma, User Research, Prototyping

- Ran surveys and empathy mapping to uncover that most vehicle owners delay servicing until it's urgent and costly, then used the Double Diamond process to reframe this into a proactive-maintenance opportunity.
- Designed a Vehicle Health Score in Figma backed by a predictive model of component wear, with integrated service booking and tracking, turning reactive repair behaviour into one trusted maintenance companion.

MyJio Customer Assistance – JioCare Chatbot Redesign
Figma, Design Thinking

- Applied an Empathize-Reframe-Ideate-Prototype study to Jio's chatbot, mapping empathy across end-users, support leads and developers to surface 20+ recurring failures – robotic tone, no memory, no path to a human agent.
- Benchmarked WhatsApp and IKEA's support UX to redesign the bot as an emotion-aware concept – colour-coded conversation states, a keyword-to-intent rulebook and reduced-typing replies – cutting effort to resolve a complaint.

BINA – Intelligent Waste Disposal System
Arduino, Embedded Systems, Interaction Design

- Designed and built an autonomous interactive dustbin on an Arduino Uno with triangulated ultrasonic sensing (3x HC-SR04) to detect misplaced waste in real time, closing the gap between passive infrastructure and user accountability.
- Programmed a state-based feedback system – OLED eye expressions with Hindi voice prompts and a servo-controlled lid – that reinforces correct disposal and nudges correction of missed drops; presented at ETSIF, DAU.

EXPERIENCE

Lumen Consultancy — Sep 2024 – Jul 2025
Design Lead — *Bhopal, Madhya Pradesh*

- Co-founded the consultancy and led end-to-end brand and product design for B2B clients, aligning positioning, packaging and web experience to user and business goals to drive ~12% month-over-month growth post-launch.
- Designed web platforms and product experiences in collaboration with cross-functional teams, translating a client's business strategy into a user-facing digital and physical rebrand for a co-working space.

Auxost — Mar 2024 – Jun 2024
Junior Graphic Designer — *Bhopal, Madhya Pradesh*

- Designed digital creatives, brand assets and UI elements for marketing campaigns, plus NFC-enabled business card and QR-based standee interfaces for B2B clients, ensuring visual consistency across physical and digital touchpoints.

EDUCATION

Dhirubhai Ambani University (DAU) — Jul 2025 – Present
M.Des, Interaction Design & Intelligent UX Design (IUxD) | CPI: 8.29 — *Gandhinagar, Gujarat*

Sri Satya Sai University of Technology & Medical Sciences (SSSUTMS) — Jan 2021 – Jun 2025
Bachelor of Architecture | CGPA: 8.29 — *Sehore, Madhya Pradesh*

Campion School (CBSE) — 2018 – 2020
10th: 77.4% | 12th (Science, PCM): 82.0% — *Bhopal, Madhya Pradesh*

TECHNICAL SKILLS

Design & Research: UX Design, Interaction Design, HCI, Usability Testing, Design Thinking, Systems Thinking
Tools & Software: Figma, FigJam, Framer, Adobe Creative Cloud, Blender, Lens Studio, Miro, Dovetail, draw.io, Arduino IDE
AI Tools: Claude Code, Figma Make, Perplexity, NotebookLM, Google Stitch, Cursor, Flora AI, Google Flow
Prototyping & Emerging Tech: Rapid Prototyping, Embedded Systems, AI-Assisted Workflows, AR/XR Fundamentals
Coursework: Design Research Methods, Human Factors in IxD, AI & Interaction Intelligence, UI Design
Soft Skills: Cross-functional Collaboration, Design Leadership, Storytelling & Presentation, Time Management

CERTIFICATIONS & ACHIEVEMENTS

- Finalist – India Japan Science, Technology & Innovation Forum; presented to an expert panel (2025)
- Participant – Indian Academic Makerspaces Summit (IAMS), IIT Gandhinagar (2025)
- Participant – ETSIF, DAU; presented BINA – Intelligent Waste Disposal System (2025)
- Artificial Intelligence Certification – LaunchEd Global x Skill India (Dec 2025 – Feb 2026)

LEADERSHIP & EXTRACURRICULAR

Concours – DAU's National Sports Fest — Nov 2025
Designer — *Gandhinagar, Gujarat*

- Led visual identity design in a 2–3 member team for Concours, DAU's national sports fest – event poster, banners, T-shirts, ID cards and social media creatives across a consistent brand identity.
